# 2019
TOP 5
Most Popular Search Topics on USA.gov

At USA.gov, we collect two sets of search data: 1) queries that users type into Google that include USA.gov pages in the search results; and 2) queries that users type while on USA.gov. In reporting our top searches for 2019, we are sharing both sets of search data.

2 ✈ Travel and Recreation

3 $ Money and Credit

Health

Housing and Community

1 About the U.S. Government

4 ⚑ About the United States

Immigration, Citizenship, and Visitors to the U.S.

Benefits, Grants, and Loans

Jobs and Unemployment

5 ⚖ Laws and Legal Issues

For each category, you can see the total queries for that topic area and the most popular sub-topics.
